## Macmillan Literature Collections

Four advanced-level Readers containing original, unsimplified short stories written by famous classic and modern writers. These collections come with substantial support material for each story: a short summary; description of major themes; pre-reading vocabulary activities; post-reading language and comprehension exercises; a literary analysis section; and essay questions. These collections will help ease the student's transition from graded Readers to unabridged English literature texts.

## Advanced Level

Advanced-level Readers containing original, unsimplified short stories written by famous classic and modern writers. These collections come with substantial support material for each story, including a short summary; description of major themes; pre-reading vocabulary activities; post reading language and comprehension exercises; a literary analysis section; and essay questions. They are perfect for those students who are ready to make the transition from graded Readers to unabridged English literature texts.
